

Sample Social Media Posts/Tips on Posting

1. Familiarize yourself with EBC and our mission so that you can feel comfortable describing to people what we do!
2. Share your personal experiences with EBC/ why you think people should support us. Have you volunteered at a Hub? Heard an inspiring story?
3. Use pictures of yourself at EBC! Pictures are one of social media greatest tools, if you have one from when you've volunteered, been a part of a past event, or maybe donated to Eastside Baby Corner, add it to your post!

Eastside Baby Corner is an organization that has been helping local children for over 30 years! I've been able to donate and have had the best time volunteering with them. I love knowing that what I give will go directly to a child in need.

Join me at my table for the Thrive Benefit Luncheon on November 4th and you too can be part of their mission to give kids what they need to grow, play, learn, and thrive! ❤️
